MISS NATALIE SMITH

The cheerleading squad originated in the late '30's. Uniforms have been purchased through the years by cheerleaders sponsoring dances, food sales, and selling mementos to the students.

Rain or shine, whether it's 7 or 70 miles to travel, these girls are at all the football and basketball games cheering their teams on to victory.

New cheerleaders are chosen by the varsity leaders and the advisor. The captain is elected by the squad.

After choosing the countries in the U.N. which they wish to represent, the delegates for three days conduct themselves as actual U.N. Representatives. At the Cafe International, a Ball held in the delegates' honor, each wears the costume of the country he represents, and prizes are given for the best costumes. ATHLETICS

STUART (RED) KINGSBURY
Silver Anniversary
1930-1955

An outstanding teacher-coach since his graduation from Keene Teachers' College, Mr. Kingsbury now limits his non-academic activities at Lebanon High to the multiple duties of Athletic Director and Head Coach of baseball. He has taught and coached basketball, baseball, and football.

Hunting and fishing, football officiating, and keeping up to date with the record of high school teams in Vermont and New Hampshire, makes for a full life for Mr. Kingsbury in his chosen field - the teacher-coach.

Our Coaching Staff

Left to right: Mrs. Mildred Lambert, Miss Natalie Smith, Mr. Robert Bailey, Mr. Stuart Kingsbury, Mr. John Duncklee, Mr. Robert Dobias, Mr. C. Allison Merrill, not pictured.

Mrs. Mildred Lambert came to L. H. S. in 1946, where she has taught subjects in business education. Since that time she has coached basketball, and she organized the first softball team in Lebanon in 1947. This year she coached field hockey.

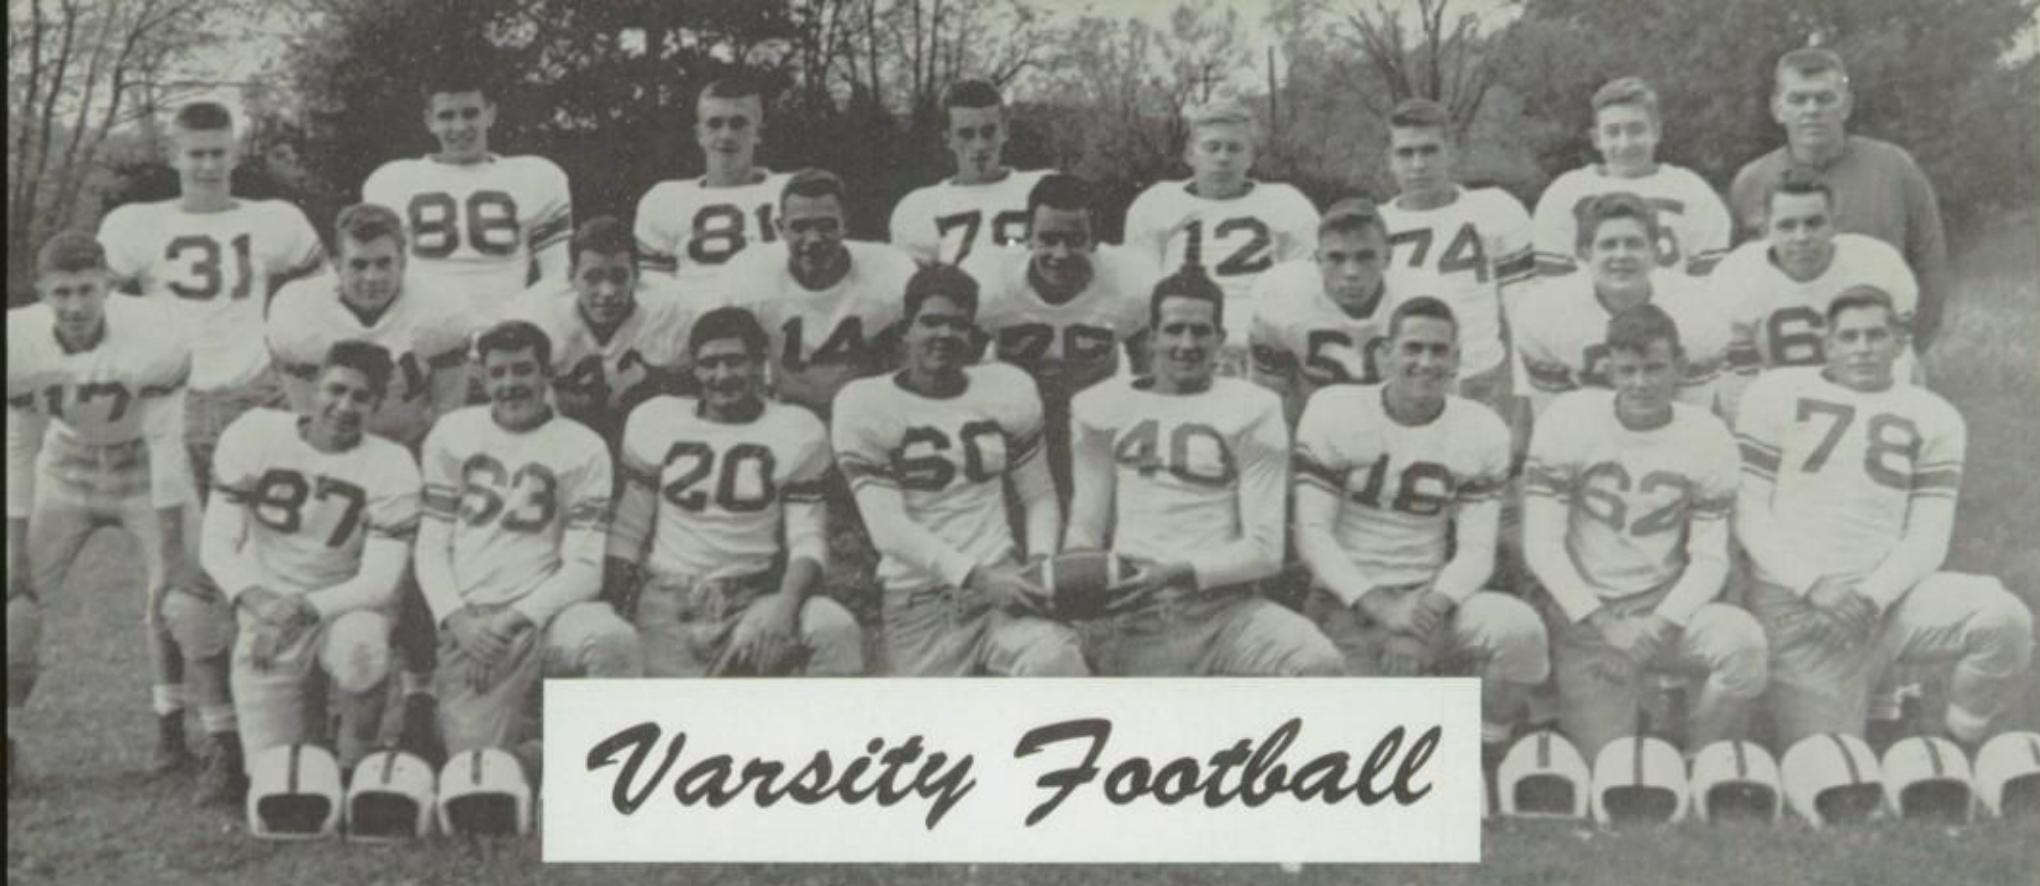

Miss Natalie Smith has been at L. H. S. for seven years. She has coached both girls' varsity and junior varsity basketball. This year is her first year as advisor to the cheerleaders and majorettes. She teaches world history.

Mr. Robert Bailey is a 1955 University of Maine graduate. He played in semi-pro baseball in Maine. This is his first year as director of physical education in the grade schools and head coach of basketball and track. He assisted in junior varsity football.

Mr. John Duncklee has been with L. H. S. for six years where he has taught social studies and mathematics. He has assisted as ski coach for the past two years, taking over completely during coach Merrill's absence in Cortina, Italy, this past year.

Mr. Robert Dobias has been a faculty member and coach of the varsity football and junior varsity basketball teams for one year. He teaches history and civics.

Mr. C. Allison Merrill has taught chemistry and physics here for nine years. He has developed nationally prominent ski teams. He coached the 1953 Eastern Junior ski team at Alta, Utah; the 1955 Eastern Junior team at Whitefish, Mont; the 1954 United States x-country and combined teams at the World championships at Falun, Sweden, and the 1956 Olympic x-country and combined teams at Cortina, Italy.
